CIN – L15421WB1980PLC0329, Phone No. 033-40506600, Fax (033)22303663

- (1) The crushing season 2018-19 started from 20<sup>th</sup> December, 2018 and concluded on 16<sup>th</sup> May, 2019. Due to labour problems and strike during season period the recovery of sugar affected resulting higher cost of production.
- (2) Pursuant to Resolution passed by the sugarcane dept. government of Bihar for providing financial assistance to sugar factories to offset the cost of sugarcane crushed for the sugar season 2018-19 Rs. 413.66 Lacs has been adjusted against cost of raw materials.
- (3) Pursuant to notification issued by the central government notifying the scheme of financial assistance to sugar factory for the season 2018-19 the company is entitled for cane price subsidy of Rs. 459 Lacs, subject to fulfilment of conditions if disbursed the cost of raw material will reduce to that extend in the year of disbursement.
- (4) The sale price of sugar were much lower than cost of opening stock and even lower than cost of production.
- (5) The central government fixed minimum floor price of sugar at Rs. 29 per kg which was subsequently increased to Rs.31 per kg. However the cost of production of sugar on all india basis was much higher and industry demanded floor price of Rs. 35-36 per kg which was not accepted by the government, resulting into loss on realizations. The parity between cane price and sugar price is yet to be established.
- (6) The Distillery of the company run for higher nos. of days of 157 days against 99 days last year as against stipulated 270 days working. 38 days remained closed due to arbitrary non-renewal of Distillery License by State District Administration and also 56 days closure due to illegal closure by CPCB on the pretext of non-installation of CPU although we have full proof proven and certified system of Zero discharge.

With better margin coupled with improved sale price of ethanol and also lower cost of molasses procurement from other sugar factories the working of distillery was better than last year. With installation of CPU its working is expected to improve further.

- (7) During the year all Bank loans of the company became NPA. The bankers allowed holding on operation which is still going on. For that all Bank Loans shown as short term borrowings.
- (8) Due to continuous losses, the Net worth of the company is fully eroded which may have an effect on the entity's ability to continue as a going concern. However the Management is still hopeful that with financial restructuring by the banks and financial assistance from the state and central government the company can still revive.
- (9) Since last few years company is facing natural calamities one after another. The Phalin cyclone in October 2013, the Hudhud in October 2014 stranded the growth of sugarcane as well as reduce the sugar recovery considerably. Again company faced devastating earthquake in April 2015 and May 2015 and lost crores of rupees. The State Government had given assurance to help and visited the area but no compensation was granted. In August 2017 heavy flood also caused huge damage to our plant and sugarcane.

- (10) The company has made request for following support from central and state government , if provided the company can be revived:-

- (12) The figure for the quarter ended 31<sup>st</sup> March'2019 and 31<sup>st</sup> March'2018 are the balancing figures between audited figures in respect of the full financial year ended 31<sup>st</sup> March' 2019 and 31<sup>st</sup> March, 2018 respectively and the unaudited published year to date figures upto 31<sup>st</sup> December'2018 and 31<sup>st</sup>December'2017, respectively, being the end of the third quarter of the respective financial year, which were subjected to limited review.

- (13) The company is not a Large Corporate as per the applicability criteria given under the SEBI circular SEBI/HO/DDHS/CIR/P/2018/144 dated November 26, 2018.
